A State-of-the-Art ISO Tank Container & Road Tanker Cleaning, Testing, Repair & Refurbishment Depot

Zodiac Tank Container Terminals Pvt Ltd. is a Samsara Group Company.

Samsara Group commenced operations in India in 1996.

With our core competency focused on the business of Shipping & Logistics, and our service portfolio encompassing Shipping, Rail, CFSs, ICDs and Terminals, we enjoy the envied distinction of being an industry trendsetter. Introducing new state-of-the-art technologies in the Indian logistics industry.

Our nation-wide network of offices covering 80+ locations has helped us with a Pan India customer reach and extensive market know how.

Our team of experienced professionals enable us create value driven, customer centric, world class end to end supply chain solutions.

“A customer is the most important visitor on our premises.
He is not dependent on us. We are dependent on him.
He is not an interruption in our work.
He is the purpose of it.
He is not an outsider in our business. He is part of it.
We are not doing him a favor by serving him.
He is doing us a favor by giving us an opportunity to do so.”

Mahatma Gandhi - Father of our Nation

ISO TANK CONTAINER TERMINAL

Zodiac Tank Container Terminals Pvt Ltd. offers state-of-the-art ISO Tank Container Cleaning, Testing, Repair & Refurbishment Facility and Road Tanker Cleaning facility at Khalapur near Nhava Sheva Port with new upcoming facility under development at South Gujarat and next proposed at Delhi NCR.

The Cleaning Facility at Khalapur is strategically located near the Nhava Sheva Port with excellent connectivity through the old Mumbai - Pune Highway as well as the new Mumbai - Pune Expressway. The facility coming up at South Gujarat located at Dhamdod Mangrol on NH-48, Mumbai Delhi Highway will provide excellent connectivity to nearby Chemical Hubs at Akleshwer, Panoli, Jhagadia, Bharuch, Dahej, Surat, Vapi etc & the ports at Dahej, Hazira and the upcoming Vadhaven.

It provides complete ISO Tank Container & Road Tanker Cleaning solutions with German made fully automatic system from globally renown Weidner.

Our ISO Tank Container Terminals are developed in accordance with International standards with round the clock surveillance system and are fully compliant with all current regulations and best global practices related to health, safety, quality & environment.
